

# Be my Rescue

Charli Holmes 6-2018

(vi)

$\text{vi}^3$      $\text{IV}^2$      $\text{I}$      $\text{IV}^A$      $\text{IV}^2$      $\text{I}$   
 I once was lost in a whirlwind of my own sin.

I tossed and I turned and I Fussed and I Fought.

This was a Fight I could not win.

I felt the waves of sin crash over my life.

I tossed and I turned and I Fussed and I Fought,

but I could not win this fight.

(ch)

$\text{III}$      $\text{IV}^m$      $\text{I}$   
 God take control over my life

God reign in me and I'll survive.

God say the word and I'll be warm.

God be my calm after the storm,

God be my Rescue.

(v2)

Sometimes it seems like my life is going just fine.

I don't need God's help, and I don't need your prayers

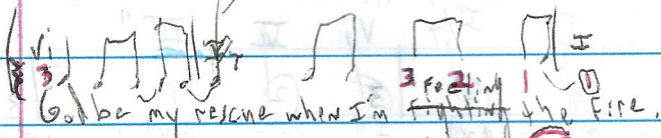

so I don't give God my time.

Those are the times, when the enemy's battle is won.

'Cause I do need God's help, and I do need your prayers.

even 'till my life is done

(B)

 God be my rescue when I'm fighting the fire.

God be my rescue when I'm feeling desires.

God be my rescue in the midst of the storm.

God cleanse my thoughts before they take form. God be my Rescue.
