(VI) The reason you love me's not because I'm so lovely
but you still love me any way.

Before I could choose you, you first had to break through
my Dead heart and pull me your way.

(pich) You love me hard because you, you are loving
I love you hard because you, you first loved me.

(ch) It's not by works that I have done.
You proved your love ~~for me~~ you gave your son.
I don't deserve the grace you give.
Amazing love unmeritted unmeritted unmeritted.

(v2) And how could I boast in the gift you have given
when all I have is from you?
How could a dead man come to you for life and
how could those who love sin choose you?

(B) you proved your love for me when you died for me.
you gave your life to save me at calvary.
